Cover letter

Dear suppliers:

First of all, appreciate your kind assistance and take the time to answer this survey, thanks for join Winbond in the sustainable supply chain. Winbond Electronics takes "the hidden champion of enriching human life with green semiconductor technology" as our business vision, using advanced semiconductor design and production technology, and implementing the corporate culture of "integrity management, responsible teamwork, enthusiastic learning, active innovation and sustainable contribution" within various business activities.

This survey identifies risk types and quantifies their impact magnitude in order to strengthen the resilience of Winbond's electronics supply chain via systematic measures, involving prevention, control and improvement in advance.

The content of your answer will be kept strictly confidential and will not be breached, so please be assured complete the questionnaire.

We sincerely invite you to work with Winbond Electronics on the sustainable value of the supply chain.

Best Regards

Winbond Electronics Corp.

Supplier Area / Sustainable Survey / Winbond ESG Self-Assessment Questionnaire(SAQ) / 2025 / Instructions

Instructions

In the instructions, you can find:
•The path to this "Answering Instructions" document.

Dear Valued Supplier Partner,

Below are the important notes for completing this questionnaire:

Please click [Instructions Downloadn Section](#) at the top of the homepage to download the questionnaire instruction manual.

The deadline for completing this questionnaire is **December 31, 2025**.

Reminder: If you have not yet completed all sections, please save your progress first. After confirming that all 8 question groups have been completed, please click Submit.

This survey is primarily conducted through the online platform. However, an Excel file is also provided for internal coordination if needed. Please click the download icon at the bottom of the page to download the file (click the small icon on the far right to download).

2025 Winbond Supplier's SDD SAQ-Excel

Click Here to Download

Q1

If you encounter any issues while completing the questionnaire, who should you contact?

- Winbond's contact window: Miss Chen
- Mail: lcchen10@winbond.com

It is recommended that you ask questions via email . WEC will provide detailed instructions for each issue.

Q2

What are the response methods and due date for the questionnaire?

- Currently, the questionnaire survey and data responses are mainly on Winbond's Supplier ESG Website, and Excel files as well. Please directly fill in the corresponding answers to the questions on the above inquiries;
- Date of Response: [2025/12/31](#)

Q3

How should I answer questions for which supporting information cannot be provided?

- The purpose of this survey is to understand the types of risks in WEC's supply chain and the extent to which these risks affect supply operations.
- If you are unable to provide supporting information, please state it truthfully in the form of written narrative.

Q4

After the investigation is completed, are there any other matters that require cooperation?

- WEC will conduct a supply chain ESG risk report and production after the survey data is collected, and plan corresponding improvement activities based on the survey results of the current year.
- Improvement activities include supplier education and training, ESG activity promotion, written or on-site audits, etc., based on the results of the current year's survey

THANK YOU!!!
